

Jaber AlAzmeH

Jaber AlAzmeH is the co-founder and the creative force behind Dow Studios. An accomplished artist whose projects have been exhibited in major cities worldwide, he has been featured in several major international publications. His artworks are part of notable collections including the British Museum, the Pergamon Museum in Berlin, and the Deutsche Bank Art Collection. Jaber has directed and executed projects for clients and advertising campaigns for prestigious brands such as Audi, Dior, Rolex, Qatar Airways, the World Health Organization, Vodafone, DHL, IKEA, Uber, and Shell among many others. With a solid academic foundation in Visual Communications, he collaborates effectively with advertising agencies, creative directors, and clients, offering valuable creative and visual input to their campaigns and requests. Possessing extensive experience as a professional visual creator and artist, alongside years of teaching photography as a university lecturer, Jaber brings a wealth of expertise to his role. He oversees Dow's team of photo and video creators and editors, ensuring the highest standards of creativity, aesthetics, and quality that define Dow Studios.
